

WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Roanoke Rapids people recommend Doan's Kidney Pills. Could you ask for stronger proof of merit? Ask your neighbor!

Mrs. T. L. Love, Hamilton St., Roanoke Rapids, says: "I was all run down a year ago because of weak kidneys and weak back. My kidneys didn't act properly and caused me much distress. Between the rest I lost each night and the dull misery across the small of my back I wasn't of much account to begin my day's work. That dull, throbbing pain in my kidneys just about wore me out and put me in a miserable condition, by the time night came again. I began using Doan's Kidney Pills which I bought at Taylor & Matthews Drug Store. After I had taken a couple of boxes of Doan's Kidney Pills I felt like a different person and I felt like a different person and I haven't been bothered since." 50c. at all dealers. Simple Origin of Names.
To primitive man the crow seemed to "koo"—hence the animal's name. The Greeks imitated the crow's sound with the word "korax" and from this, by way of the "corow" springs our name for the bird. The cuckoo named himself.
